PARENT/STUDENT POLICIES & PROCEDURES COVID-19 PRECAUTIONS FALL 2020

As the Madison Street Music & Arts Academy prepares to re-open for Fall 2020, we offer the following considerations for ways in which we will help protect students, teachers, administrators, and staff and slow the spread of COVID-19.

Guiding Principles to Keep in Mind

The more people with whom a student or teacher interacts, and the longer that interaction, the higher the risk of COVID-19 spread. The Madison Street Music & Arts Academy will offer two learning platforms to help mitigate risk:

LOWER RISK: The Virtual Academy

Students and teachers engage in virtual only classes, lessons, activities, and events.

GREATER RISK: The In-Person Program/Pre-College & Adult/Suzuki

Students and teachers engage in small, in-person classes, lessons, activities, and events.

COVID-19 GUIDANCE

Guidance for Students & Teachers Exposed to Persons with Known or Suspected COVID-19

If a student or teacher has had close contact (<6 feet for >15 minutes) with a person who has tested positive for COVID-19 or is suspected of having COVID-19 and is exhibiting symptoms, the teacher/student/parent/guardian will contact the Director of the Music & Arts Academy for contact tracing purposes and WILL NOT return to the Music & Arts Academy until 14 days after the last exposure. Lessons may pivot to virtual learning during the 14 day period.

Guidance for Students & Teachers Who Have Tested Positive for COVID-19

If a student or teacher tests positive for COVID-19, they must contact the Director of the Music & Arts Academy as early as possible following the diagnosis for contact tracing purposes. The student or teacher WILL NOT be allowed to return to the Music & Arts Academy until the following guidelines have been met:

STUDENT OR TEACHER DIAGNOSED WITH COVID-19 (with symptoms)

A student or teacher diagnosed with COVID-19 with symptoms may return to the Music & Arts Academy after:

- * 3 days with no fever **AND**
- * Respiratory symptoms have improved (e.g. cough, shortness of breath) **AND**
- * 10 days since symptoms first appeared

STUDENT OR TEACHER DIAGNOSED WITH COVID-19 (no symptoms)

A student or teacher diagnosed with COVID-19 but without symptoms may return to the Music & Arts Academy after:

- * 10 days have passed since testing positive

POLICIES AND PROCEDURES FOR THE VIRTUAL ACADEMY

1. Instructors will contact students to arrange a weekly lesson time.
2. Students must have reliable internet access and a computer and/or mobile device that supports Zoom or FaceTime.
2. If internet connection fails, the instructor will work with the student to arrange a make-up lesson.
3. Tuition payments for each 6-week mini semester is due in full at the time of registration. A \$10 registration fee is processed per student at the time of registration.
4. Tuition for Fall 2020 is non-refundable after the second week of the mini-semester.
5. Students enrolled in The Virtual Academy may NOT switch to In-Person or any other during the six-week mini semester.

POLICIES AND PROCEDURES FOR THE IN-PERSON & SUZUKI PROGRAMS

1. Instructors will contact students to arrange a weekly lesson time and/or group lesson time (for Suzuki).
2. Cloth face coverings are required for both students and instructors.
3. Students in class/group settings will remain at least 6 feet apart and will not share objects.

7. The In-Person and Suzuki Programs may pivot to virtual learning only at any point in the semester if COVID-19 cases spike or as directed by local/state/federal authorities.
8. Tuition for Fall 2020 is non-refundable after the second week of the semester.
9. If the In-Person & Suzuki Programs are forced to pivot to virtual learning and parents/students do not wish to continue in this medium, the option will be given to credit remaining classes/lessons for Spring 2021. **Refunds for Fall 2020 will not be issued because of pivoting to virtual learning.**

POLICIES AND PROCEDURES FOR THE PRE-COLLEGE & ADULT PROGRAM

The Policies & Procedures for the Pre-College & Adult Program are the same as those listed above for the In-Person & Suzuki Programs, with the exception of the following:

- * Pre-College & Adult Program Instructors may choose to teach virtually or in-person for the entire semester or for part of the semester. This will be decided at the discretion of the instructor.

ATTENDANCE POLICY FOR ALL PROGRAMS

Attendance is vital for the progress of each student. In many cases, the student's commitment to attendance becomes imperative for the success of their study of an instrument. In the event that a lesson or class must be missed, students and/or parents are asked to give at least 24-hours notice whenever possible **directly to the student's instructor.** Parents and instructors are highly encouraged to share phone numbers/emails in order to ensure clear lines of communication. In the event that a student has to miss a lesson, a make-up lesson may be given at the discretion of the instructor, but instructors are NOT required to make up the lesson. If an instructor has to cancel the lesson, the lesson will be made up at a time mutually convenient to the student and/or parent and instructor.

Students should arrive on time for lessons and classes. In the event that a student arrives late for their lesson, the missed time will not be made up.

The Music & Arts Academy will provide make-up lessons for time missed due to inclement weather. Cancellation of lessons/classes due to inclement weather will be made at the discretion of The Music & Arts Academy administration. Announcements of closure will be sent out via email and will be posted on the MSMAA Facebook page.

CURRICULUM AND CONTENT

The Music & Arts Academy offers course instruction and private lessons in a wide variety of areas and subjects from the arts. The curriculum of each area is determined by the instructor, based on the needs and specializations of faculty and students. Each area offers a unique, custom curriculum for every individual student.

PRACTICE TIME

One of the most fundamentally essential behaviors in cultivating high-quality artisanship in any area is the repetition and reinforcement that comes from regular and intensive practice. All Music & Arts Academy students, regardless of the area of study, are expected to practice regularly. Specific weekly practice times may be assigned by individual instructors. This is the equivalent of “homework” in the arts, and students are assessed based on the work they put into their area outside the classroom.

When an assignment is made by an instructor, it is done so with the expectation that the student will complete the assigned practice time and will come to the next lesson prepared to exhibit for the instructor the work that they have done.

Students who exhibit a tendency to avoid practice or who do not input sufficient effort are subject to teacher reassignment or dismissal from the program.

Students who practice more will excel faster and in a more meaningful way than students who only do “the bare minimum.”

END-OF-SEMESTER RECITALS

Due to COVID-19 restrictions, The Music & Arts Academy will not offer in-person recitals in Fall 2020. Certain instructors may choose to hold virtual recitals. Please ask your instructor about this option.

All students are expected to show respect to others at all times. The Music & Arts Academy requires that all students behave in a reasonable fashion, and exhibit common sense in their actions while participating in all Music & Arts Academy activities. In circumstances where behavior is deemed unacceptable by instructors and/or administration, infractions will be handled on a "3 strikes, you're out" policy:

1st Strike Student will be verbally warned of unacceptable behavior.

2nd Strike Parent will be notified; student may be placed on disciplinary probation.

3rd Strike Student may be removed from the program without refund of tuition.
